

# HILL'S TO HOME CLIENT SELF-REGISTRATION

1

## CLIENT SCANS QR CODE

Clients can scan your unique QR code on the flyer by opening their camera app and hovering over the code. A link will pop up for them to click.

A screenshot of the Hill's to Home account creation form. The form is titled "Create your Hill's to Home Account:". It has several input fields: "First Name" (with a placeholder "First Name"), "Last Name" (with a placeholder "Last Name"), "Email Address" (with a placeholder "Email"), "Phone Number" (with a placeholder "Phone Number"), "Phone Type" (with a dropdown menu showing "Mobile"), "Pet Name" (with a placeholder "Pet Name"), and "Species" (with a dropdown menu showing "CAT"). The form is set against a background image of a person's face and a dog's head.

2

## CLIENT FILLS OUT FORM

Client will create a Hill's to Home account by filling out the form.

3
